

CL '57 Danube River Cruise  
MS Avalon Tapestry ~ Blue Danube Discovery ~ Budapest to Prague  
October 13 - 20, 2010

**Air Fares** Letter #2 from Sam Morthland

Avalon has advised me and Future Travel that their 50% airfare price reduction has a significant time constraint. We must Advise Avalon **on/before Dec 1, 2009** which of you wish to take advantage of his Avalon offer. They may or may not extend this offer. You do not have to make a deposit of \$250, but you do have to advise me of the following information:

1. Names as on your passports.

-I already have this for those 24 guys who are currently signed up for the cruise.

-For those on our advance list not yet signed on for the cruise, you **MUST** provide this to me should sign up **NOW** for the cruise and to get the best of the remaining cabin selections.

2. Name of the major airport from which you wish to depart and return to in CONUS.

3. Dates you wish to depart and return. Avalon advises that if you have plans to make side trips in Europe, either pre or post the cruise dates, you should plan to make separate travel arrangements with Future Travel Agents, returning to Prague for your return flight to CONUS.

4. Some of you departing from the D.C. area and perhaps other areas may form a single group larger than ten (10) people which would not be able to use the individual Avalon tickets because of Airline prohibitions . Future Travel will arrange a special group booking for you. I will sort through the D.C. group and make tentative group lists ,some departing on 10 Oct 2010, others on 12 Oct 2010- some returning on 20 Oct and others on 23 Oct 2010.

5, This does not effect those using frequent flies miles or other personal air arrangements.

Please respond by Nov 23<sup>rd</sup> to allow us time to sort through the alternatives and get your names to Avalon by their 1 Dec 20098 deadline/
