Vision

West Point is the world’s premiere leader development institution.

Mission

To educate, train, and inspire the Corps of Cadets so that each graduate is a commissioned leader of character, committed to the values of Duty, Honor, Country and prepared for a career of professional excellence and service to the Nation as an officer in the United States Army.

“Inspire Leaders of Character”
• **Leader Development:** Produce military leaders prepared to fight and win America’s wars.
  
  – **Honorable Living:** Develop leaders who live honorably 24/7, who have internalized the values of Duty, Honor, Country, and the values of our Army. Ensure that climate exists here at West Point.
  
  – **Sexual Harassment/Assault/Command Climate:** Develop leaders who lead with command climates of dignity and respect, where everyone on the team feels value added, and feels secure both physically and emotionally. Ensure that climate exists at West Point.
  
  – **Winning Culture:** Develop leaders who build a culture of excellence and winning in everything we do. We will win honorably, not changing our standards nor who we are.
  
  – **Diversity:** Develop leaders who recognize and leverage the power of diverse teams. Continue to build and retain a diverse USMA team, both within the Corps of Cadets and our staff and faculty.

• **Force Protection:** Ensure West Point remains a safe and secure installation for the Corps of Cadets, staff and faculty and their families, and our guests.

• **New York City:** Continue to build our partnership with New York City to enhance Cadet development and enrich our connection with the American people.

• **Beat Navy!**
As a future officer, I am committed to the values of Duty, Honor and Country.

I am an aspiring member of the Army Profession, dedicated to serve and earn the trust of the American people.

It is my duty to maintain the honor of the Corps.

I will live above the common level of life, And have the courage to choose the harder right over the easier wrong.

I will live with honor and integrity, scorn injustice, and confront substandard behavior.

I will persevere through adversity and recover from failure.

I will embrace the warrior ethos, and pursue excellence in everything I do.

I am a future officer and a member of the Long Gray Line.
